

AXUM outdoor

MC Lab - 2018

DESCRIPTION

A family of coffee tables with a round base where the structure and the top give it the strongest touch of personality and character. Interesting also the role of negative space creating geometric interplays at the height of the legs with the possibility to overlay more tables making the lower ones disappear!

DESCRIZIONE

Famiglia di tavolini a base rotonda dove sono la struttura e il top a conferire personalità e carattere. Interessante anche il ruolo dello spazio negativo che crea giochi geometrici all'altezza delle gambe e la possibilità di incastrare più tavolini facendo scomparire quelli più bassi!
