

CORSOCOMO

MC Lab - 2017

DESCRIPTION

Its spell works at first sight: Corso Como is a masterpiece of design that - like the famous street in Milan which inspires its name and essence - makes elegance and details its strong point. The peculiarity of its head is to be noted in two stages: the lower part that delineates the first block - much longer than the body of the bed - and serves as a base for the two decorative elements, wavy and "Octagon" patterned that remain behind the two cushions and draw - grafting with the longer block - a refined and unique fantasy. Final treat? The decorative stitching.

DESCRIZIONE

Il suo incantesimo funziona a prima vista: Corso Como è un capolavoro di design che - come la celebre via milanese cui si ispira nel nome e nell'essenza - fa dell'eleganza e dei dettagli il suo punto di forza. La particolarità della sua testata va notata in due tempi: la parte bassa che ne delinea il primo blocco - molto più lungo rispetto al corpo del letto - e che serve da base per i due elementi decorativi, ondulati e dal pattern "Octagon" che rimangono alle spalle dei due cuscini e disegnano - innestandosi con il blocco più lungo - una fantasia raffinata e decisamente unica. Chicca finale? Le cuciture a vista.
