

LINGOTTO

Maurizio Di Mauro - 2018

DESCRIPTION

Unusual, eclectic and fascinating. Lingotto is a collection of dual face storage units with a unique personality, unconventional and elegant, real jewels capable of imposing their beauty and making it the protagonist of any project. A uniqueness that arises from the play of color and material combinations, plus the overlap of modules. The Lingotto sideboard is available in four or three or two doors and can be customized matching color, marble or mirror top. The doors in essence or lacquered matt and glossy effect and the plinths with metal finishes are just some of the technical aspects that characterize the collection in a modern and creative sense of pure design.

DESCRIZIONE

Lingotto è una collezione inusuale ed eclettica: una serie di contenitori bifacciali dalla personalità unica, anticonformisti ed eleganti, veri e propri gioielli capaci di imporre la propria bellezza e renderla protagonista di qualsiasi ambiente. Un'unicità che nasce dal gioco delle combinazioni cromatiche e materiche e dalla sovrapponibilità dei vari moduli. Le ante, in noce canaletto o laccato, e gli zoccolini con finiture metalliche sono solo alcuni degli aspetti tecnici che caratterizzano la collezione in una direzione di modernità ed estro creativo di puro design.
