

PANGEA
MC Lab - 2025

DESCRIPTION

Pangea is a modular sofa born from the fusion of organic form and flexible design. Its composition is built around curved and linear modules, freely combined to create ever-changing layouts — from classic setups to more fluid and enveloping solutions, ideal for both residential and contract spaces. One of its key features is the choice between fixed or removable backrests, designed to either support and define the seating area or allow for total freedom of use, turning each module into a 360° convivial island. With its soft silhouette, generous proportions, and refined tailoring, Pangea becomes the centerpiece of any space — striking a perfect balance between bold character and understated elegance.

TECHNICAL INFORMATION

Typology

Sofa

Structure

Wooden structure covered in polyurethane foam with dacron layers and fine velvet in nylon fibre.

Monobloc seat

polyurethane foam with 100 gr fiber layer.

Back cushions

recycled PET

Cover

Completely removable cover in fabric.
Removable cover in leather only per back cushions

DESCRIZIONE

Pangea è un divano modulare che nasce dall'incontro tra forma organica e progettualità flessibile. La sua struttura componibile si articola attraverso moduli curvi o lineari, che possono essere liberamente accostati per creare configurazioni sempre diverse: dalle composizioni più classiche alle soluzioni fluide e avvolgenti, capaci di dialogare con spazi domestici o contract di ampia metratura. Elemento distintivo è la possibilità di scegliere tra schienali fissi o removibili, pensati per offrire una doppia funzione: sostenere e delimitare oppure lasciare spazio alla massima libertà d'uso, trasformando ogni modulo in una seduta conviviale a tutto tondo. Grazie alla sua silhouette morbida, alle proporzioni generose e alla cura sartoriale nei dettagli, Pangea si impone come protagonista dello spazio, senza rinunciare a un'eleganza misurata e accogliente.

DESCRIZIONE TECNICA

Tipologia

Divano

Struttura

Struttura in legno rivestita in poliuretano espanso con falde di dacron e vellutino in fibra di nylon.

Seduta monoblocco

poliuretano espanso a quote differenziate con falda di fibra 100gr

Cuscini schienale
